

Some of our staff are trained to meet and speak to youngsters at schools and youth centres.

Areas such as self-worth, relationships, making good decisions, pregnancy, abortion and STI's are covered, with opportunities to ask questions or to speak confidentially.

If your school or club would like this opportunity, please contact us.

---

**Phone 07896 630 296 and talk to someone who can help.**  
**We are not a referral agency to termination clinics.**
